I. Introduction and Summary: It is the policy of the Georgia Department of Corrections to have an established policy on Appearance and Dress that applies to all employees, allows for the projection of an appropriate business image in the performance of job duties and outlines appropriate apparel for uniformed and non-uniformed employees. This policy also serves as notice that non-uniformed employees should not dress in a manner deemed to be excessively casual, overly provocative or revealing.

II. Authority:
GDC Standard Operating Procedures (SOPs):

1. 104.47 Employee Standards of Conduct
2. 205.03 Personal Appearance for Uniformed Personnel (Facilities Operations)

III. Definitions:

- A. Non-uniformed employees: Persons employed by the Department who are not required to wear agency-issued clothing, insignia, or other distinguished attire in performance of an assigned duty.
- B. Uniformed employees: Persons employed by the Department who are required to wear a uniform, insignia, or other forms of clothing issued or directed for purchase and wear in performance of an assigned duty.
- C. Appointing Authorities: Wardens and individuals specifically designated by the Commissioner.

IV. Statement of Policy and Applicable Procedures:
Employees working in the Department’s facilities or offices will dress as follows:

A. Non-Uniformed Employees:

1. The standard dress for non-uniformed employees is **Business Casual Attire** (see Attachment 1).
2. Any non-uniformed employee who represents the Department externally or at a formal internal presentation should dress in **Business Attire** (see Attachment 1) unless it is unsuitable for the occasion. For instance, business attire would be just as inappropriate for a ceremony held outside in the summer as casual attire would be for a legislative hearing, meeting at another agency or formal briefing to the Commissioner or the Board.

Business Attire is required to be worn by senior staff members (see note below) on days the Corrections Board is meeting in Forsyth.

Note: The term senior staff, as used above, refers to the Chief of Staff, Assistant Commissioners, Executive Counsel, Director of Public and Governmental Affairs, Human Resources Director, Chief Accounting Officer, Chief Budget Officer, Chief Procurement Officer, Chief Information Technology Officer, and Chief of Engineering/Construction Services. For the purpose of these guidelines, it also refers to those support staff whose location is in the Commissioner’s office suite. Also, members of the senior staff, on days when they are attired in Business Casual Attire, are expected to have readily available the clothing required to change into Business Attire when required.

3. **Casual Attire** (see Attachment 1) may be worn by non-uniformed staff on Fridays. Staff working 10-Hour Days may dress in Casual Attire on Thursday if this is their last work day of the week.
4. **Dressing in a manner more formal than the normal attire of the day will not be grounds for disciplinary actions.**
5. **Revealing shirts, blouses, skirts, slacks or dresses are prohibited.**
6. **All shirts must be appropriate for the work environment and will not include language or graphics that are vulgar, sexually explicit, or may otherwise be offensive. Employees may not wear shirts with the logo of another agency, for-profit corporation or non-profit.**
7. Supervisors must ensure that employees dress appropriately for assigned work duties. Appointing Authorities may make routine exceptions to the required dress attire where the attire would not be conducive to an employee’s assigned work site or duties. The Appointing Authority must designate dress attire exceptions in writing and establish the acceptable attire standards. Work sites that may require an exception include a file room, mailroom, warehouse operations, computer installation/repair/troubleshooting, construction, maintenance, or farm operations.
8. There are occasions when management must solicit the assistance of the workforce in accomplishing certain manual tasks at the work site for special needs situations such as “spring cleaning” or moving. On these occasions, the Appointing Authority may approve a deviation from non-business/business casual attire.
