## Student Internships

Our professional interns are placed under the supervision of a correctional professional who works with them to develop a meaningful internship opportunity focused on utilizing the intern's academic knowledge and skills in a professional work setting. Select the application and background search links, complete and submit to [interns@gdc.ga.gov](mailto:interns@gdc.ga.gov) to apply for available internships at the Georgia Department of Corrections.

## Application Process

The Georgia Department of Corrections protects the public by operating safe and secure facilities through the development of professional staff and effective offender management. Georgia stands out as a national model. Georgia Department of Corrections has profoundly reshaped its adult correctional systems, earning widespread acclaim for its comprehensive approach and promising results.

Interns will be placed under the supervision of a correctional professional who will work with them to develop a meaningful opportunity to utilize their educational knowledge and talents in a professional work setting. **Hours will vary dependent upon the facility and the students' requirements.**

*Please also note: Criminal background checks will be required.*

To apply, complete the attached Internship application and background form
